

# Get help with expenses health insurance doesn't cover

## Aflac for Pemberton BOE

The reality is that health insurance isn't designed to cover everything, which can leave you with unexpected medical bills. That's why there's Aflac. We can help with the expenses that health insurance doesn't cover.

### Supplemental insurance plans

#### Accident

Individual accident insurance can help with unexpected expenses associated with an accidental injury, so you can focus on getting better.

#### Cancer/Specified-Disease

Aflac cancer/specified-disease policy provides robust benefits so you can seek the treatment you need while easing the financial concerns that often accompany it—before, during and after diagnosis.

#### Supplemental Vision New Eye Disease Plan offering

Don't take your vision for granted. An Aflac vision policy can help with the costs of vision treatment and benefits are paid directly to you.

#### Hospital Confinement Indemnity

Health insurance isn't meant to cover all expenses associated with hospitalization – like deductibles and copays. Aflac hospital insurance can help minimize those out-of-pocket costs so you can focus on recovery.
